Section 627.351(6)(jj), FL Statute, requires that any proposed salary increase for an individual employee exceeding 10% of that employee's current salary must be approved by the board of governors.

History

There are five (5) increases that require the board's approval at the July board meeting. Details are included in the attached board supplemental document.

The proposed salary increases represent a promotion to a higher level of responsibility with salaries that are within the market value for the jobs. The increases take into consideration the employee's relevant skills and experience.
