Notes to the Financial Statements

1. Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

The accompanying financial statements of Citizens Property Insurance Corporation (Citizens or the Company) have been prepared in accordance with accounting practices prescribed or permitted by the Florida Office of Insurance Regulation (the Office).

Although Citizens does not have a certificate of authority, the accompanying financial statements have been prepared in accordance with the National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures Manual* subject to any deviations prescribed or permitted by the Office.

Differences between Florida prescribed practices and NAIC statutory accounting practices (NAIC SAP) which affect the Company are prescribed in F.S. 625.305. This statute provides limitations on the admission of invested assets classified as medium to lower quality obligations by the Securities Valuation Office (SVO) as a percentage of total admitted assets, among other limitations not applicable to the Company. The effect of the prescribed practice on policyholders' surplus is provided below.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in these financial statements and notes. Actual results could differ from these estimates

C. Accounting Policy

- (1) Short-term investments - No Significant Changes
- (2) Investment grade long-term bonds (issuer obligations) are reported at amortized cost. Amortized cost is computed using the interest method (scientific). Non-investment grade securities with NAIC designations of 3 through 6 are stated at the lower of amortized cost or fair value, with a corresponding charge to surplus for the unrealized loss recognized.
- (3) Common stocks - Not Applicable
- (4) Preferred stocks - Not Applicable
- (5) Mortgage loans - Not Applicable
- (6) U.S. government agency mortgage-backed securities are valued at amortized value. Other mortgage-backed securities which are modeled by an NAIC vendor are valued at amortized value or fair value based on either a) the relationship of amortized value to certain vendor-generated values; or b) credit ratings as assigned by the Structured Securities Group. All other loan-backed and structured securities are valued based upon their credit rating where investment grade securities with NAIC designations of 1 or 2 are stated at amortized value, while non-investment grade securities with NAIC designations of 3 through 6 are stated at the lower of amortized value or fair value. The retrospective adjustment method is used to value all securities except for interest only securities or securities where the yield had become negative, that are valued using the prospective method.
- (7) Investments in subsidiaries, controlled and affiliated entities - Not Applicable
- (8) Investments in joint ventures, partnerships and limited liability companies - Not Applicable
- (9) Derivatives - Not Applicable
- (10) Investment income as a factor in the premium deficiency calculation - No Significant Changes
- (11) Liabilities for losses and loss/claim adjustment expenses - No Significant Changes
- (12) Changes in capitalization policy - No Significant Changes
- (13) Pharmaceutical rebate receivables - Not Applicable

D. Going Concern

Based upon the Company's Plan of Operation and role within the Florida insurance market, management does not have substantial doubt about the Company's ability to continue as a going concern.

D. Loan-Backed Securities

- (1) Prepayment assumptions for asset-backed securities were obtained from broker dealer survey values or internal estimates.
- (2) Loan-backed and structured securities with a recognized other-than-temporary impairment (OTTI) - None
- (3) Securities held that were other-than-temporarily impaired due to the present value of cash flows expected to be collected was less than the amortized cost of securities

Citizens did not recognize any other-than-temporary-impairments (OTTI) on loan-backed securities due to the present value of cash flows being less than the amortized cost basis through the quarter ended September 30, 2024.

- (4) All impaired securities for which an OTTI has not been recognized in earnings as a realized loss

Loan-backed and structured securities in unrealized loss positions as of September 30, 2024, stratified by length of time continuously in these unrealized loss positions, are as follows:

a. The aggregate amount of unrealized losses:

1. Less than 12 months.....	\$.....	51,023
2. 12 months or longer.....		20,188,643

b. The aggregate related fair value of securities with unrealized losses:

1. Less than 12 months.....	\$.....	40,634,174
2. 12 months or longer.....		294,343,874

- (5) Citizens undertook a thorough analysis of all loan-backed and structured securities in an unrealized loss position to determine if any other-than-temporary impairment should be recognized during the quarter ended September 30, 2024. Declines in market value of invested assets are continually evaluated to determine whether these declines are temporary or other-than-temporary in nature. In making this determination, the Company monitors external impairment indicators such as issuer credit ratings as well as the extent and duration of the related declines and internal impairment indicators such as the Company's intent and ability with respect to retention of the impaired securities. These indicators are obtained from both third-party valuation services and internal analyses performed by the Company. No such other-than-temporary declines in market value have been recognized in the reporting period, as these declines are primarily attributable to changes in overall interest rates in addition to credit spread fluctuations and increased liquidity discounts. It is possible that Citizens could recognize other-than-temporary impairments in the future on some of the securities, if future events, information and the passage of time cause it to conclude that declines in value are other-than-temporary.

Pursuant to a determination letter received from the Internal Revenue Service, Citizens is exempt from federal income tax as a political subdivision and integral part of the State of Florida. As such, Citizens is liable for income taxes only on business income unrelated to the purpose for which it is exempt.

10. Information Concerning Parent, Subsidiaries, Affiliates and Other Related Parties

Citizens Property Insurance Corporation (Citizens) was established on August 1, 2002, pursuant to Section 627.351(6), Florida Statutes (the Act), to provide certain residential and non-residential property insurance coverage to qualified risks in the State of Florida under circumstances specified in the Act. This legislation was enacted such that property insurance be provided through Citizens to applicants who are in good faith entitled to procure insurance through the voluntary market but are unable to do so. Citizens results from a combination of the Florida Residential Property and Casualty Joint Underwriting Association (FRPCJUA) and the Florida Windstorm Underwriting Association (FWUA). The FRPCJUA was renamed Citizens and the FWUA's rights, obligations, assets, liabilities and all insurance policies were transferred to Citizens. Unlike private insurers offering coverage through the admitted market, Citizens is not required to obtain or to hold a certificate of authority issued by the Florida Department of Financial Services, Office of Insurance Regulation (the Office). Likewise, Citizens is not subject to Risk-Based Capital (RBC) requirements or required to have a pledged deposit on file with the State of Florida. For purposes of its tax-exempt status, Citizens is considered a political subdivision and an integral part of the State of Florida. As such, Citizens' operations may be affected by the legislative process.

Citizens operates pursuant to a Plan of Operation (the Plan), under the Act, approved by the Financial Services Commission (the Commission) of the State of Florida. The Commission is composed of the Governor, the Chief Financial Officer, the Attorney General and the Commissioner of Agriculture of the State of Florida.

Citizens is supervised by a Board of Governors (the Board) which consists of nine individuals who reside in the State of Florida. The Governor appoints three members, and the Chief Financial Officer, the President of the Senate and the Speaker of the House of Representatives each appoint two members of the Board. At least one member appointed by each appointing officer must have a demonstrated expertise in the insurance industry. The Chief Financial Officer designates one of the appointees as the Board's chair. All Board members serve at the pleasure of their appointing officers.

Citizens' President and Chief Executive Officer (Executive Director) and senior managers are engaged by and serve at the pleasure of the Board. The Executive Director is subject to confirmation by the Florida Senate. In January 2024, pursuant to Florida Senate Bill 2-A and upon the extinguishment of all financing obligations, Citizens three operating accounts - the Personal Lines Account, Commercial Lines Account, and the Coastal Account - were combined into a single account.

20. Fair Value Measurements

A. Fair Value Measurement

- (1) Fair value at reporting date

The Company has categorized its assets and liabilities that are measured at fair value into the three-level fair value hierarchy as reflected in the table below. The three-level fair value hierarchy is based on the degree of subjectivity inherent in the valuation method by which fair value was determined. The three levels are defined as follows:

Notes to the Financial Statements

20. Fair Value Measurements (Continued)

- Level 1 – Quoted Prices in Active Markets for Identical Assets and Liabilities: The estimated fair value of these items were based on quoted prices in active markets and are thus classified as Level 1.
- Level 2 – Significant Other Observable Inputs: This category, for items measured at fair value on a recurring basis, includes bonds which are not exchange-traded. The estimated fair values of these items were determined by independent pricing services using observable inputs.
- Level 3 – Significant Unobservable Inputs: The Company has no assets or liabilities measured at fair value in this category.

Description for each class of asset or liability	Level 1	Level 2	Level 3	Net Asset Value (NAV)	Total
a. Assets at fair value					
Money-market mutual funds	\$ 1,119,590,159	\$ 361,907,200	\$	\$	\$ 1,481,497,359
Total assets at fair value/NAV	\$ 1,119,590,159	\$ 361,907,200	\$	\$	\$ 1,481,497,359
b. Liabilities at fair value					
Total liabilities at fair value	\$	\$	\$	\$	\$

(2) Fair value measurements in Level 3 of the fair value hierarchy - Not Applicable

(3) At the end of each reporting period, the Company evaluates whether or not any event has occurred or circumstances have changed that would cause an instrument to be transferred into or out of Level 3. During the current year, no transfers into or out of Level 3 were required.

(4) Bonds carried at fair value categorized as Level 2 are valued using the market approach. The estimated fair values of some of these items were determined by independent pricing services and relevant market data observable inputs. Others were based on broker quotes from markets which were not considered actively traded. Some valuations were determined to be Level 2 valuations as quoted market prices for similar instruments in an active market were utilized. This was accomplished by the use of matrix pricing. Matrix pricing takes quoted prices of bonds with similar features and applies analytic methods to determine the fair value of bonds held. Features that are inputs into the analysis include duration, credit quality, tax status and call and sinking fund features.

(5) Derivatives - Not Applicable

B. Other Fair Value Disclosures - Not Applicable

C. Fair Values for All Financial Instruments by Level 1, 2 and 3

The following table reflects the admitted values and estimated aggregate fair values of all admitted assets and liabilities that are financial instruments at September 30, 2024. The estimated fair values are categorized into the three-level fair value hierarchy as described below:
